WORDS FROM THE PASTOR

Although the story in the further part of the bulletin emphasizes the rescue, Tuesday was a wonderful day of fellowship and fun for Kendell, Aaron and I. There were many wonderful sights to behold in an adventure of grand scale. God's grandeur was on display on every hand. I extend my heartfelt thanks to all who made this journey possible.

Texas Spring Camp is just around the corner. We would love to take a good group with us. Let me know if there are children in your life that you would like to see at camp this summer. The dates are June 13-17, spending Monday through Thursday at the camp, traveling back on Friday. There are many major projects going on at the camp to get things improved. I have committed time to helping with the new sound and video control center. Pray for the many who are working so hard to get these improvements made before the first camp arrives June 13th.

VBS will be happening the week before that. These are both exciting opportunities to reach out to children and teenagers. It is not too early to start letting kid's know about our VBS plans.

UPCOMING GRADUATIONS

A graduation celebration will be held, June 5, 2011, following First Sunday Fellowship, to honor **Drew Parr** who is graduating from high school.

Congratulations to **Caitlyn Allen Stroman** who has completed the degree requirements to receive her Associate Degree in Nursing from NTCC. She will be pinned May 13, 2011.

Preacher, Preacher's Son and Bro. Kendall Rescued

A day out with the preacher ended rather humorously when a call had to be made for help. Brian Brownlee, Drew and Donald Parr are the heroes in a muddy rendezvous to bring them in. The preacher had his adventure.

Women's Conference

Concord Baptist Church in Omaha is hosting the conference next Saturday. Several of our ladies have made commitment to attend. This should be an uplifting time of encouragement and enlightenment.

Upcoming Events

May 8 – Business Meeting

May 14 – Women's Conference at Concord, 10 a.m. – 2 p.m.

May 16 – Hopewell Youth Association meets with Argo
