WORDS FROM THE PASTOR

The family center was full of folks of all ages. They were the friends and family of the Thompsons, as in Kenley Thompson. We trust that our providing this environment and our Christian love helped to make even greater opportunities of service for the Master. Once again we are reminded how swiftly the days of our lives go by. May we all strive to use our days and years in greater harmony with God's will.

The Hopewell youth rally will be meeting at Old Union tomorrow night. Nathan is our song leader. Let us continue to explore opportunities to involve our kids with the young people of our sister churches. The programs are usually an encouragement to the youth as well as the adults. Many wonderful friendships have been developed with the people that we fellowship with through our associational events.

Bro. Amari is returning to Japan on Tuesday. The Lord has blessed his endeavors here. Please pray for him as he travels back to his home. Also we need to be prayerful for the mission work he is trying to help in the country of the Philippines.
